Donald Ross Esq.,

347 Yonge Street

Winnipeg Man.

Dear Mr Ross:

Many thanks for your letter, and the honour which you propose, of having me nominated as one of the honorary Vice-Presidents of the Royal High School Club of Edinburgh. I regret, however, that I am unable to accept your honour, as I did not qualify, having never attended the Royal High School. I am a graduate of Edinburgh University, having entered there as a boy of eighteen, and I had some friends from the Royal High School, but was never a pupil.

Wishing the Club every success, I am

Yours sincerely,

President
